- What is fraud?
- What is abuse?
- Provider withdrawal procedures

Fraud

An intentional deception or misrepresentation made by a person with the knowledge that the deception could result in an unauthorized benefit to himself or another person. It includes any act that constitutes fraud under applicable federal or state laws.

TEXAS
Health and Human Services

Texas Department of State
Health Services

Abuse

Provider practices that are inconsistent with sound fiscal, business, or medical practices and result in an unnecessary cost to the Medicaid Program (may include actions that result in an unnecessary cost to the TVFC Program, a health insurance company, or a patient) or in reimbursement for services that are not medically necessary, or that fail to meet professionally recognized standards for health care.
